

Purim 2021

It's Purim time again! As usual, Kehillat Beth Israel is planning on preparing beautiful Mishloach Manot packages for you to enjoy including a personalized KBI Mug and special treats. Due to our inability to all gather together for Purim this year, our plan is to deliver these Mishloach Manot to every congregant's home so that we can all join together in the celebration.

Help sponsor this great project!

Purchasing, preparing, and delivering these Mishloach Manot to all of our families will cost the congregation approximately \$7.00 per package. As a way to support this congregational endeavour and to make your own fulfillment of this mitzvah easier (especially this year), we are asking you to consider sponsoring a package for one or more families. Your sponsorship will greatly help us in being able to execute this initiative. Please consider one of the sponsorship levels offered on our registration form [click here](#).

Want to help with deliveries?

As we have fantastic Mishloach Manot packages this year we want to make sure that all of our members have the chance to enjoy them. Routes have been set up to be as easy as possible allowing you to deliver as many as your schedule can fit. We are planning to deliver Mishloach Manot packages the week of February 21. If you are able to help make deliveries please indicate this on the registration form. Your help is as always greatly appreciated.

Out of town?

As our goal is to deliver a Mishloach Manot package to each household please let us know if you will be out of town or simply do not want to receive one. You may indicate this on the registration form. If you are away during our delivery time, we can arrange to get one to you at a later date.
