

Never Again is NOW

Get Involved - Ottawa Jewish Solidarity - It's Time

Our Ottawa Jewish children and educators are not safe. This past year, the number of daily reported cases of Antisemitism in schools has been unprecedented. We do not take this lightly. Children and educators have been forced to hide their Jewish identity, gaslighted or dismissed when speaking up, and many have already switched from the Public to the Catholic Board. This is unacceptable. KBI stands in solidarity with OAA's hard work and advocacy this past year of unprecedented Antisemitism and AntiZionism. The Jewish and Israeli hate being indoctrinated into Ottawa educators and students' minds since last May is terrifying. It cannot be ignored.

We strongly encourage everyone to join the following 2 social media groups.

What does "never again" mean to you?

1. **FACEBOOK - Ottawa Against Antisemitism (OAA)**

OAA is an inclusive group that advocates and supports Jewish children and families in the Ottawa community. Let us all unite in solidarity to ensure that everyone feels safe and supported. You are not alone.

2. **TWITTER - Ottawa City Watch <https://twitter.com/OttawaCityWatch>**

Proud Ottawa Jewish citizens standing up for safety and inclusion in schools, workplaces, and cities. OAA families and educators coming together to say NO MORE to Jewish-Hate.

We only began a few weeks ago so we need as many followers as possible to ensure the schools and government will take us seriously. We will not be ignored while innocent children continue to be subject to such atrocious hate,
